# PROPOSAL 1

## AS A SPECIAL RESOLUTION, APPROVAL OF THE AMENDMENT AND RESTATEMENT OF THE MEMORANDUM AND ARTICLES OF ASSOCIATION

### Description of the Proposal

Our board of directors proposes and declares advisable amending and restating our Current Memorandum and Articles, and replacing in its entirety by the Eighth Amended and Restated Memorandum and Articles of Association of our company in the form attached hereto as Exhibit A.

In summary, the amendments are to permit general meetings of our shareholders be held as entirely virtual meetings. If this proposal is approved, we will be able to convene and hold general meetings of our shareholders (i) at a physical place or premises solely, or (ii) virtually solely by means of communication equipment (including without limitation via live audio webcast or via other remote communication as authorized by our directors as they shall deem necessary, appropriate or advisable), or (iii) in a hybrid physical and virtual manner simultaneously.

### Purpose of Proposed Amendment

Cayman law permits entirely virtual meetings, provided that this is expressly permitted under the articles of association. After careful consideration, our board of directors determined that it would be in our company's best interests and the best interests of our shareholders to allow our shareholders to participate in shareholders' meetings at a physical location solely, virtually solely by means of communication equipment (including without limitation via live audio webcast or via other remote communication as authorized by our directors as they shall deem necessary, appropriate or advisable) or in a hybrid physical and virtual manner simultaneously. Our board of directors has considered the advantages and disadvantages of virtual meetings and has concluded that embracing the latest technology provides expanded access, improved communication and cost savings for our shareholders, and will facilitate shareholder participation. If this Proposal 1 is approved by a special resolution of our shareholders, the Current Memorandum and Articles will be amended, restated and replaced in its entirety by the Eighth Amended and Restated Memorandum and Articles of Association of our company in the form attached hereto as Exhibit A.

### Effect of Approval of Proposed Amendment

If approved, this Proposal 1 will permit our company to convene shareholders' meetings virtually solely after such approval. All other sections of the Current Memorandum and Articles would be maintained in their current form. If our shareholders do not approve this Proposal 1, the Current Memorandum and Articles would remain in effect in its entirety. There will be a physical location of the meetings of shareholders and our shareholders may attend or vote in person or by proxy at physical meeting place, or participate by means of remote communications as stated in the then proxy statement.

## Vote Required

Approval of this Proposal 1 will be as special resolution, which requires the affirmative vote of not less than two-thirds of the votes cast by our shareholders entitled to vote who are present in person, virtually or by proxy at the Annual Meeting. Abstentions and broker non-votes will have no effect on this vote.

**OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE “FOR” THE AMENDMENT AND RESTATEMENT OF THE CURRENT MEMORANDUM AND ARTICLES, AND REPLACING IN THEIR ENTIRETY WITH THE EIGHTH AMENDED AND RESTATED MEMORANDUM AND ARTICLES OF ASSOCIATION IN THE FORM ATTACHED HERETO AS EXHIBIT A.**

## PROPOSAL 2

# RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITOR

### Description of the Proposal

Our audit committee is directly responsible for the appointment, compensation, retention and oversight of the independent registered public accounting firm retained to audit our consolidated financial statements. Our audit committee has selected KPMG Huazhen LLP, an independent registered public accounting firm, as our independent auditor for the fiscal year ending December 31, 2024. KPMG Huazhen LLP has served as our independent auditor since 2020. Our audit committee believes at this time that the continued retention of KPMG Huazhen LLP to serve as our independent auditor is in the best interest of our company and our shareholders.

Upon recommendation of our board of directors, our audit committee has appointed KPMG Huazhen LLP, an independent registered public accounting firm, as our independent auditor for the fiscal year ending December 31, 2024. KPMG Huazhen LLP is responsible for auditing our annual consolidated financial statements filed with the SEC and has audited our financial statements with the SEC for the three fiscal year ended December 31, 2023.

Although shareholder approval of the selection of KPMG Huazhen LLP by our audit committee and our board of directors is not required, our board of directors believes that it is a matter of good corporate practice to solicit shareholder ratification of this selection. Our board of directors recommends that shareholders vote for approval and ratification of this appointment. If this Proposal 2 is not approved at the Annual Meeting, our board of directors will reconsider its appointment. Even if the selection is ratified, our audit committee has the ability to change the engagement of KPMG Huazhen LLP if it considers that a change is in our company's best interest.

We expect representatives of KPMG Huazhen LLP to be available at the Annual Meeting in person or virtually and available to respond to appropriate questions. They will have the opportunity to make a statement if they desire to do so, and will be available to respond to appropriate questions.

## Independent Registered Public Accounting Firms Fees

The following table sets forth the aggregate fees by categories specified below in connection with certain professional services rendered by KPMG Huazhen LLP, the independent registered public accounting firm and our independent auditor, for the periods indicated. We did not pay any other fees to the independent registered public accounting firm during the periods indicated below.

Tax fees <sup>(3)</sup>	\$ 43 <sup>(4)</sup>	\$ 139 <sup>(5)</sup>
Other fees <sup>(6)</sup>	\$ —	\$ 319

- (1) "Audit fees" means the aggregate fees billed or expected to be billed for each of the fiscal years listed for professional services rendered by our auditor for the audit of our annual financial statements, issue of comfort letters in connection with our registration statements, prospectuses and offering memoranda, assistance with and review of documents filed with the SEC and other statutory and regulatory filings.
- (2) "Audit-related fees" means the aggregate fees billed for assurance and related services by the principal accountant that are reasonably related to the performance of the audit or review of the registrant's financial statements and are not reported as "audit fees" above.
- (3) "Tax fees" means the aggregate fees billed for the tax services provided with respect to tax services.

- (5) Represents \$131,000 plus RMB56,000, translated from Renminbi to U.S. dollars made at a rate of RMB7.0999 to \$1.00, being the noon buying exchange rate in effect as of December 31, 2023 as set forth in the H.10 statistical release of The Board of Governors of the Federal Reserve System.
- (6) "Other fees" means the aggregate fees billed for non audit-related, tax and financial due diligence services with respect to our acquisitions.

## Pre-Approval Policies and Procedures

The policy of our audit committee is to pre-approve all audit and non-audit services provided by KPMG Huazhen LLP, an independent registered public accounting firm and our independent auditor, including audit services, audit-related services, tax services and other services as described above. Our audit committee evaluated and approved in advance the scope and cost of the engagement of an auditor before the auditor rendered its audit and non-audit services. Pre-approval fee levels or budgeted amounts for all services to be provided by our independent auditor may be established annually by the audit committee. For each fiscal year, our audit committee may determine the appropriate ratio between the total amount of fees for audit, audit-related and tax services, and the total amount of fees for services classified as all other services. Our audit committee may delegate either type of preapproval authority to one or more of its members. The member to whom such authority is delegated must report, for informational purposes only, any pre-approval decisions to our audit committee at its next scheduled meeting. All of the fees described in the table above were pre-approved by our audit committee.

## Vote Required and Board of Directors' Recommendation

Approval of Proposal 2 will be as an ordinary resolution, which requires the affirmative vote of a simple majority of the votes cast by our shareholders entitled to vote who are present in person, virtually or by proxy at the Annual Meeting. Broker non-votes and abstentions with respect to Proposal 2 will not be treated as votes cast for this purpose and, therefore, will not affect the outcome of the vote. We expect that there will be no broker non-votes on this Proposal 2 due to the discretionary authority granted to brokerage firms, banks and other financial institutions.

**OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE RATIFICATION OF THE APPOINTMENT OF KPMG HUAZHEN LLP AS OUR INDEPENDENT AUDITOR FOR THE FISCAL YEAR ENDING DECEMBER 31, 2024.**

# Corporate Governance

## Corporate Governance Guidelines

Our board of directors has adopted Corporate Governance Guidelines that address, among other topics, the role and responsibilities of our directors, the structure and composition of our board of directors, and corporate governance policies and standards applicable to us in general. The Corporate Governance Guidelines are subject to periodic reviews and changes by our nominating and corporate governance committee and our board of directors.

## Code of Business Conduct and Ethics

We have adopted a code of business conduct and ethics, as amended and restated, which is applicable to all of our directors, executive officers and employees. A copy of our code of business conduct and ethics is available on our website at <https://www.gigacloudtech.com/>. We have included our website address in this proxy statement solely as an inactive textual reference. The reference to our website address does not constitute incorporation by reference of the information contained at or available through our website, and investors should not consider it to be a part of this proxy statement.

## Director Independence

Our board of directors consists of five directors. Our board of directors has affirmatively determined that all of our directors, other than Mr. Larry Lei Wu and Mr. Frank Lin, are independent directors in accordance with the listing requirements of the Nasdaq. The Nasdaq independence definition includes a series of objective tests, including that the director is not, and has not been for at least three years, one of our employees and that neither the director nor any of his or her family members has engaged in various types of business dealings with us. In addition, as required by Nasdaq rules, our board of directors has made a subjective determination as to each independent director that no relationships exist, which, in the opinion of our board of directors, would interfere with the exercise of independent judgment in carrying out the responsibilities of the director. In making these determinations, our board of directors reviewed and discussed information provided by the directors and us with regard to each director's business and personal activities and relationships as they may relate to us and our management.

Our board of directors has also determined that each member of each committee of our board of directors is currently independent in accordance with the rules and regulations of the Nasdaq. Each member of our audit committee of our board of director is also independent in accordance with Rule 10a-3(b)(1) under the Securities Exchange Act of 1934, as amended, or the Exchange Act.

There are no family relationships among any of our directors or executive officers.

## Risk Oversight

One of the key functions of our board of directors is informed oversight of our risk management process. Our board of directors does not have a standing risk management committee, but rather administers this oversight function directly through our board of directors as a whole, as well as through various standing committees of our board of directors that address risks inherent in their respective areas of oversight. In particular, our board of directors is responsible for monitoring and assessing strategic and regulatory risk exposure, including monitoring our company's compliance with cybersecurity and data protection rules and regulations, approving our company's budget after considering various risks such as risks associated with supply chain, suppliers and key service providers, if any. Our board of directors receives periodic reporting from our chief executive officer on cybersecurity and any other business operational risks.

## Shareholder Communications with Directors

Any shareholders or other interested parties may communicate with our board of directors or with an individual director by writing to our board of directors or to the particular director and mailing the correspondence to: GigaCloud Technology Inc, 4388 Shirley Avenue, El Monte, CA 91731, USA, Attention: Board of Directors c/o Board Secretary.

Communications must state the number of shares owned by the person making the communication, if any. Our Board Secretary will review and forward such communication to all of the members of our board of directors or to the individual director(s) to whom the communication is addressed unless the communication is unduly frivolous, hostile, threatening or similarly inappropriate, in which case, our Board Secretary may disregard the communication in his or her discretion. We will regularly provide our board of directors with a summary of all substantive communications.

## Board Qualifications and Diversity

Our board of directors has delegated to our nominating and corporate governance committee the responsibility to identify, evaluate and recommend director candidates to our board of directors for their consideration, as deemed appropriate.

## Duties of Directors

Under Cayman Islands law, our directors owe us fiduciary duties, including a duty of loyalty, a duty to act honestly and a duty to act in what they consider in good faith to be in our best interests. Our directors may only exercise the powers that are vested in them for a proper purpose, i.e. for the purpose for which such powers were conferred and not for a collateral purpose. Our directors also have a duty to act with skill and care. It was previously considered that a director need not exhibit in the performance of her or his duties a greater degree of skill than may reasonably be expected from a person of his knowledge and experience. However, English and Commonwealth Courts have moved towards an objective standard with regard to the required skill and care, and these authorities are likely to be followed in the Cayman Islands.

In fulfilling their duty of care to us, our directors must ensure compliance with our memorandum and articles of association, as amended and restated from time to time.

Our company may have the right to seek damages if a duty owed by our directors is breached.

Our board of directors has all the powers necessary for managing, and for directing and supervising, our business affairs. The functions and powers of our board of directors include, among others:

- convening shareholders' annual and extraordinary general meetings and reporting its work to shareholders at such meetings;
- declaring dividends and distributions;
- appointing officers and determining the term of office of officers;
- exercising the borrowing powers of our company and mortgaging the property of our company; and
- approving the transfer of shares of our company, including the registering of such shares in our register of members.

## Director Nominations

Our board of directors has delegated to our nominating and corporate governance committee the responsibility to identify, evaluate, and recommend director candidates to our board of directors for their consideration, as deemed appropriate.

Our board of directors has adopted corporate governance guidelines that include, among other things, the criteria that our board of directors may consider in evaluating the suitability of director candidates. Our board of directors has delegated to our nominating and corporate governance committee the responsibility for reviewing, on an annual basis, the qualification criteria for our board of directors as a whole and its individual members and recommending any changes to our board of directors for approval.

In identifying director candidates, our board of directors and our nominating and corporate governance committee may consider any factors that they deem appropriate in the context of the needs of our board of directors and the overall diversity and composition of our board of directors. Such factors may include, but are not limited to, the candidate's qualifications, skills, expertise, experience, integrity, independence (including any actual or perceived conflicts of interest), and time availability in light of other commitments. Diversity may be considered across multiple dimensions, including diversity in experiences, perspective, and skills as well as diversity with respect to other background characteristics such as gender, age, culture, ethnicity, and nationality. Overall, our board of directors and our nominating and corporate governance committee will be guided to select and recommend director candidates that they determine are best suited to meet the needs of our board of directors and further the interests of our shareholders through their established record of professional accomplishment, ability to contribute positively to the collaborative culture among board members, knowledge of our business, understanding of the competitive landscape, and professional and personal experiences and relevant expertise.

The primary purpose of the audit committee is to oversee our accounting and financial reporting processes and the audits of our financial statements. The audit committee’s functions are more fully described in its charter. Management has the primary responsibility for our financial statements and reporting process, including our systems of internal controls. KPMG Huazhen LLP, our independent registered public accounting firm for fiscal year 2023, is responsible for expressing an opinion on the conformity of our audited financial statements with accounting principles generally accepted in the United States, or U.S. GAAP.

The audit committee is also responsible for, among other things, selecting our independent registered public accounting firm and pre-approving all auditing and non-auditing services performed by our independent registered public accounting firm, reviewing with the independent registered public accounting firm any audit problems or difficulties and management’s response, and discussing the annual audited financial statements with management and our independent registered public accounting firm. The audit committee also annually reviews and reassesses the adequacy of our audit committee charter.

In fulfilling its oversight responsibilities, the audit committee reviewed and discussed with management and KPMG Huazhen LLP the audited financial statements included in our annual report on Form 10-K for the year ended December 31, 2023.

The audit committee also discussed with KPMG Huazhen LLP the matters that are required to be discussed by the applicable requirements of the Public Company Accounting Oversight Board (“PCAOB”) and SEC. The audit committee has received and considered the written disclosures and the letter from KPMG Huazhen LLP required by applicable requirements of the PCAOB regarding communications with the audit committee concerning independence and has discussed with KPMG Huazhen LLP its independence from the Company and our management. The audit committee has concluded that KPMG Huazhen LLP’s provision of audit and non-audit services to GigaCloud and its affiliates is compatible with KPMG Huazhen LLP’s independence.

Based on these reviews and discussions, the audit committee recommended to the board of directors that such audited financial statements be included in the annual report on Form 10-K for the year ended December 31, 2023 for filing with the SEC.

# Executive Officer and Director Compensation

This section provides the material components of our compensation program for our named executive officers identified below and our non-employee directors. Our compensation program is designed to align executive pay with measurable results intended to create value for shareholders, and utilize compensation as a tool to assist us in attracting and retaining the high-caliber executives that we believe are critical to our long-term success. We believe that the key to our success is the long-term shareholder value that is created by our employees. Our compensation philosophy is weighted towards providing equity awards, and we believe this helps to retain our executives and aligns their interests with those of our shareholders by allowing them to participate in the longer-term success of our company as reflected in share price appreciation. For example, we provide many of our employees, including our named executive officers, with an equity award, which we believe motivates the employee to think of themselves as an owner of our company.

Unless stated otherwise, for purposes of this section, amounts reported for Mr. Lau below paid in Hong Kong dollars, or HK\$, have been converted into and presented in U.S. dollars at the rate of HK\$7.8015 to US\$1.00 for 2022 data and at the rate of HK\$7.8109 to US\$1.00 for 2023 data, being the noon buying exchange rates in effect as of December 31, 2022 and 2023, respectively, as set forth in the H.10 statistical release of The Board of Governors of the Federal Reserve System.

The compensation received by Mr. Wu, Mr. Lau and Mr. Schrock in accordance with these employment agreements is disclosed in “Executive Officer Compensation” in this proxy statement.

Pursuant to the employment agreements, if we terminate their employment without cause (as defined in the employment agreements) or if they resign for good reason (as defined in the employment agreements), we shall (i) continue to pay and otherwise provide to Mr. Wu, Mr. Lau and Mr. Schrock, during the relevant notice period (as defined below), all compensation, base salary and previously earned but unpaid incentive compensation, if any, and shall continue to allow them to participate in any benefit plans in accordance with the terms of such plans during such notice period; and (ii) pay to them any such amount as may be agreed between us and Mr. Wu, Mr. Lau and Mr. Schrock. The relevant notice period means 30 days’ notice for a termination by us without cause and 60 day’s notice for a termination by the named executive officer with good reason.

The employment agreements contain standard confidentiality provisions, effective during and after their employment with us, as well as noncompetition and nonsolicitation restrictive covenants, effective during the two-years following the termination of their employment with us.

## Other Elements of Compensation

We are required by the Hong Kong Mandatory Provident Fund Schemes Ordinance to make monthly contributions to the mandatory provident fund scheme in an amount equal to at least 5% of an employee’s salary subject to a cap of \$192 (HK\$1,500) per month per employee.

In 2023, we made required contributions of \$2,304 (HK\$18,000) to Mr. Wu, and \$2,304 (HK\$18,000) to Mr. Lau. Other than above, our named executive officers did not participate in any tax-qualified defined benefit plans, supplemental executive retirement plans, tax-qualified defined contribution plans and non-qualified defined contribution plans in 2023.

## Potential Payments upon Termination or Change in Control

In 2023, we did not have any contract, agreement, plan or arrangement, whether written or unwritten, that provides for payment(s) to a named executive officer at, following, or in connection with the resignation, retirement or other termination of a named executive officer, or a change in control of the company or a

change in the named executive officer's responsibilities following a change in control, with respect to each named executive officer.

## Director Compensation

Our non-employee director compensation program provides for annual retainer fees and/or long-term equity awards for our non-employee directors. Each non-employee director receives an annual retainer of \$50,000 in cash and \$100,000 in our Class A ordinary shares, par value \$0.05 per share, for each 12 month term.

We have adopted a clawback policy, which permits us to recover all or a portion of any incentive-based compensation that was received by a covered executive on or after October 2, 2023, including equity awards, in the event that we are required to prepare an accounting restatement. The amount which may be recovered will be the amount by which the affected compensation exceeded the amount that would have been payable had the financial statements been initially filed as restated. A copy of the clawback policy is filed as an Exhibit 97.1 to the 2023 Annual Report.

# Security Ownership of Certain Beneficial Owners and Management

## Share Ownership

The following table sets forth information concerning the beneficial ownership of our ordinary shares on an as-converted basis, as of February 29, 2024, for:

- each of our directors and executive officers, including the named executive officers;
- all of our executive officers and directors as a group; and
- each person known to us to beneficially own 5% or more of our total issued and outstanding ordinary shares.

Except as noted by footnote, based on the information provided to us, we believe that the persons and entities named in the table below have sole voting and investment power with respect to all securities shown as beneficially owned by them.

We have adopted a dual-class ordinary share structure. The calculations in the table below are based on 40,797,424 ordinary shares, par value \$0.05 per share, issued and outstanding, comprised of 31,470,692 Class A ordinary shares, par value \$0.05 per share, (which had excluded an aggregate of 67,559 Class A ordinary shares issued and reserved for future allocation upon exercise or vesting of awards granted under our share incentive plans; and 215,201 Class A ordinary shares issued and repurchased but not yet cancelled) and 9,326,732 Class B ordinary shares, par value \$0.05 per share, as of February 29, 2024.

Beneficial ownership is determined in accordance with the rules and regulations of the SEC. In computing the number of shares beneficially owned by a person and the percentage ownership of that person, we have included shares that the person has the right to acquire within 60 days of the date of this proxy statement, including through the exercise of any option, warrant or other right or the conversion of any other security. These shares, however, are not included in the computation of the percentage ownership of any other person.

# Delinquent Section 16(A) Reports

Section 16(a) of the Exchange Act requires our directors and executive officers, and persons who own more than 10% of a registered class of our equity securities, to file with the SEC initial statement of beneficial ownership and certain statements of changes in beneficial ownership of our equity securities (collectively, the “Section 16(A) reports”).

We were foreign private issuers in the fiscal year ended December 31, 2023. Our directors and executive officers, and persons who owned more than 10% of a registered class of our equity securities were not required to file with the SEC the Section 16(A) reports in 2023.

Starting from January 1, 2024, our directors and executive officers, and persons who own more than 10% of a registered class of our equity securities are required to file with the SEC the Section 16(A) reports.

# Certain Relationships and Related-Party and Other Transactions

## Transactions with Related Persons

### *Employment Agreements*

We have entered into employment agreements with each of our executive officers, including the named executive officers. See “Executive Officer and Director Compensation—Executive Officer Compensation—Employment Agreements with the Named Executive Officers” regarding the description of the employment agreements with the named executive officers.

### *Indemnification of Directors and Executive Officers*

Cayman Islands law does not limit the extent to which a company’s memorandum and articles of association may provide for indemnification of officers and directors, except to the extent any such provision may be held by the Cayman Islands courts to be contrary to public policy, such as providing indemnification against civil fraud or the consequences of committing a crime.

Our memorandum and articles of association provide that each of our directors shall be indemnified against all actions, proceedings, costs, charges, expenses, losses, damages or liabilities incurred or sustained by such director, other than by reason of such director’s own dishonesty, willful default or fraud, in or about the conduct of our company’s business or affairs (including as a result of any mistake of judgment) or in the execution or discharge of his duties, powers, authorities or discretions, including any costs, expenses, losses or liabilities incurred by such director in defending (whether successfully or otherwise) any civil proceedings concerning our company or our affairs in any court whether in the Cayman Islands or elsewhere. This standard of conduct is generally the same as permitted under the Delaware General Corporation Law for a Delaware corporation.

In addition, we have entered into indemnification agreements with each of our directors and executive officers, including the named executive officers, that provide such persons with additional indemnification beyond that provided in our memorandum and articles of association. Under these agreements, we agree to indemnify our directors and executive officers against all liabilities and expenses incurred by such persons in connection with claims made by reason of their being a director or officer of our company to the fullest extent permitted by law with certain limited exceptions.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to our directors, officers or persons controlling us under the foregoing provisions, we have been informed that in the opinion of the SEC, such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable.

### *Equity Grants to Executive Officers and Directors; Share Incentive Plans*

We have granted share options and restricted share units awards to certain of our executive officers and non-employee directors. See “Executive Officer and Director Compensation—Executive Officer Compensation” and “Executive Officer and Director Compensation—Director Compensation.”

## Arrangements with Certain Shareholders

### *Shareholders Agreement*

We entered into our fifth amended and restated shareholders agreement on February 28, 2021, or the shareholders agreement, with certain of our shareholders, which consist of our pre-IPO holders of ordinary shares and preferred shares. The shareholders agreement provides for certain shareholders' rights, including, among others, information rights, preemptive rights, right of first refusal, co-sale rights and drag-along rights, and contains provisions governing our board of directors and other corporate governance matters. The rights and obligations of each shareholder under the shareholders agreement automatically terminated upon the completion of our initial public offering which was closed in August 2022.

### *Registration Rights Agreement*

We entered into our fourth amended and restated registration rights agreement on February 28, 2021, or the registration rights agreement, with certain of our shareholders, which consist of our pre-IPO holders of ordinary shares and preferred shares. We have granted certain registration rights to certain of our shareholders. Set forth below is a description of the registration rights granted under the registration rights agreement.

*Demand Registration Rights.* At any time after the earlier of (i) the three years from February 28, 2021 or six months following the completion of our initial public offering, holders of at least 15% of the registrable securities then outstanding may, by written notice, request that we effect a registration of all or any portion of the registrable securities that the holders request to be registered and included in such registration.

However, we are not obligated to effect a demand registration (i) during the period beginning 30 days prior to the filing and ending on a date 90 days following the effective date of the registration statement in connection with our initial public offering, subject to certain conditions, (ii) if the filing of such a registration statement would require the disclosure of material non-public information about us, in which event no such registration statement need be filed until the earlier of the lapse of sixty (60) days from the issuance of the opinion of counsel or such time as the information is no longer required to be disclosed, is not material or non-public, or its disclosure would not have a material adverse effect on our business or financial condition, provided that we may not exercise this right more than once in any 12-month period, or (iii) unless the aggregate offering price of the securities requested to be sold pursuant to such registration is, in the good faith judgment of our board of directors, expected to be equal to or greater than \$5,000,000.

In addition, no request of demand registration may be made within 180 days after the effective date of a registration statement filed by us covering a firm commitment underwritten public offering in which the holders of registrable securities shall have been entitled to join and in which there shall have been effectively registered all registrable securities as to which registration shall have been so requested.

We are not obligated to effect more than three demand registrations, subject to certain conditions.

Further, if the registrable securities are offered by means of an underwritten offering and the managing underwriter advises us that marketing factors require a limitation of the number of securities to be underwritten, the number of such registrable securities may be reduced as required by the underwriters and the number of the registrable securities will be allocated among the holders on a pro rata basis according to the number of registrable securities then outstanding held by each holder requesting registration, provided

that in no event may any registrable securities be excluded from such underwriting unless all other securities are first excluded.

*Registration on Form F-3.* Holders of registrable securities then outstanding have the right to request that we effect registration statements on Form F-3. We, however, are not obligated to effect such registration unless, among other things, (i) a majority of the outstanding registrable securities are requested to be sold pursuant to such registration, or (ii) the aggregate offering price of the securities requested to be sold pursuant to such registration is, in the good faith judgment of our board of directors, expected to be equal to or greater than \$2,000,000.

*Piggyback Registration Rights.* If we propose to file a registration statement for a public offering of our securities other than those relating to any employee benefit plan or a corporate reorganization, we must offer holders of our registrable securities an opportunity to include in the registration all or any part of their registrable securities. If the registrable securities are offered by means of an underwritten offering and the managing underwriter advises us that marketing factors require a limitation of the number of securities to be underwritten, the number of such registrable securities may be reduced, subject to certain conditions, as required by the underwriters and the number of the registrable securities will be allocated among the holders on a pro rata basis according to the number of registrable securities then outstanding held by each holder requesting registration.

*Limitation on Subsequent Registration Rights.* Except as provided in the shareholders agreement, we will not grant to any person the right to request us to register any ordinary shares, or any securities convertible or exchangeable into or exercisable for ordinary shares, (i) which are superior to or pari passu with the rights granted to the holders of our preferred shares, (ii) unless under the terms of such agreement such holder or prospective holder may include such ordinary shares in any registration only to the extent that the inclusions of such ordinary shares will not reduce the amount of the registrable securities of the holders of our preferred shares that are included; or (iii) that would cause us the right to include such ordinary shares, or any securities convertible or exchangeable into or exercisable for ordinary shares, in any registration on a basis more favorable to such holder or prospective holder than is provided to the holders of our preferred shares thereunder, in each case without the prior written consent of holders of at least seventy-five percent (75%) of the total issued and outstanding preferred shares.

*Expenses of Registration.* We will bear all registration expenses, other than underwriting discounts and selling commissions incurred in connection with any demand, piggyback or Form F-3 registration, except each holder that exercised its demand, Form F-3 or piggyback registration rights will bear such holder's proportionate share (based on the total number of shares sold in such registration other than for our account) of all underwriting discounts and selling commissions or other amounts payable to underwriters or brokers.

*Termination of Obligations.* We have no obligation to effect any demand, Form F-3 or piggyback registration on the fifth anniversary of the date of completion of our initial public offering.

## **Review, Approval or Ratification of Transactions with Related Persons.**

Our board of directors adopted a written related person transaction policy, effective on August 17, 2022 upon our initial public offering, as amended and restated on January 1, 2024 (the "related party transaction policy").

Our related person transaction policy sets forth the policies and procedures for the review and approval or ratification of related person transactions.

This policy covers, with certain exceptions set forth in Item 404 of Regulation S-K under the Securities Act, any transaction, arrangement or relationship, or any series of similar transactions, arrangements or relationships in which we were or are to be a participant, where the amount involved exceeds the lesser of \$120,000 or one percent of the average of our total assets at year-end for the last two completed fiscal years, and a related person had or will have a direct or indirect material interest, including, without limitation, purchases of goods or services by or from the related person or entities in which the related person has a material interest, indebtedness, guarantees of indebtedness and employment by us of a related person.

In reviewing and approving any such transactions, our audit committee is tasked to consider all relevant facts and circumstances, including, but not limited to, whether the transaction is on terms comparable to those that could be obtained in an arm's length transaction and the extent of the related person's interest in the transaction.

2. **“FOR”** the ordinary resolution, that the selection and appointment of KPMG Huazhen LLP, an independent registered public accounting firm, as the independent auditor of GigaCloud Technology Inc for the fiscal year ending December 31, 2024, be and is hereby ratified and confirmed.

### What is the difference between holding shares as a shareholder of record and as a beneficial owner?

If your shares are registered directly in your name with our transfer agent, Computershare Trust Company, N.A., you are considered the shareholder of record with respect to those shares, and you will receive the Notice Regarding the Availability of Proxy Materials directly. As a shareholder of record, you may vote your shares in person at the Annual Meeting or by proxy as described below.

If your shares are held in a share brokerage account or by a bank or other nominee, you are considered the "beneficial owner" of shares held in street name. The Notice and, upon your request, the proxy materials were forwarded to you by your broker, bank or other nominee who is considered, with respect to those shares, the shareholder of record. As the beneficial owner, you have the right to direct your bank, broker or other nominee on how to vote your shares by following their instructions for voting.

## How can I vote my shares?

If you are a shareholder of record, you may vote:

- *Via the Internet.* You may vote by proxy via the Internet by following the instructions found on the proxy card.
- *By Telephone.* You may vote by proxy by calling the toll-free number (within the U.S., U.S. territories and Canada) found on the proxy card.
- *By Mail.* You may vote by proxy by filling out the proxy card and returning it in the postage-paid envelope.
- *In Person.* You may vote in person at the Annual Meeting. You must request a ballot when you arrive.

Internet and telephone voting will be available 24 hours a day and will close at 8:59 a.m. Pacific Time on June 12, 2024, Wednesday. Votes submitted by mail must be received by 8:59 a.m. Pacific Time on June 12, 2024, Wednesday.

If you are a beneficial owner of shares held in street name, you should have received from your bank, broker or other nominee instructions on how to vote or instruct the broker to vote your shares, which are generally contained in a "voting instruction form" sent by the broker, bank or other nominee. Please follow their instructions carefully. Beneficial owners generally may vote:

- *Via the Internet.* You may vote by proxy via the Internet by following the instructions on the voting instruction form provided to you by your broker, bank or other nominee.
- *By Telephone.* You may vote by proxy by calling the toll-free number found on the voting instruction form provided to you by your broker, bank or other nominee.
- *By Mail.* You may vote by proxy by filling out the voting instruction form and returning it in the postage-paid return envelope provided to you by your broker, bank or other nominee.

If you received more than one Notice Regarding the Availability of Proxy Materials or proxy card, then you hold our shares in more than one account. You should vote for all shares held in each of your accounts.

Please see "Can I attend the Annual Meeting?" above for more information.

## If I submit a proxy, how will it be voted?

When proxies are properly signed, dated and returned, the shares represented by the proxies will be voted in accordance with the instructions of the shareholder. If no specific instructions are given, you give authority to the chairman of the Annual Meeting, who is Larry Lei Wu, GigaCloud's chairman and chief executive officer (or, should Mr. Wu not attend the Annual Meeting, Frank Lin), to vote the shares in accordance with the recommendations of our board of directors as described above. If any matters not described in this proxy

statement are properly presented at the Annual Meeting, then the proxy holders will use their own judgment to determine how to vote the shares. If the Annual Meeting is adjourned, the proxy holders can vote your shares on the new meeting date as well, unless you have revoked your proxy.

### Can I change my vote or revoke my proxy?

Yes. If you are a shareholder of record, you can change your vote or revoke your proxy before it is exercised by:

- Timely delivery of a written notice that you are revoking your proxy to GigaCloud Technology Inc, 4388 Shirley Avenue, El Monte, CA 91731, USA, Attention: Board Secretary;
- Timely delivery of a valid, later-dated proxy or a later-dated vote by telephone or on the Internet; or
- Voting in person at the Annual Meeting. Simply attending the Annual Meeting will not, by itself, revoke your proxy.

Your most current proxy card or Internet proxy is the one that is counted.

If you are a beneficial owner of shares held in street name, you should follow the instructions of your bank, broker or other nominee to change or revoke your voting instructions.

### Householding of Proxy Materials

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more shareholders sharing the same address by delivering a single Notice or Proxy Statement addressed to those shareholders. This process, which is commonly referred to as “householding,” potentially means extra convenience for shareholders and cost savings for companies.

Brokers with account holders who are GigaCloud shareholders may be “householding” our proxy materials. A single Notice or Proxy Statement may be delivered to multiple shareholders sharing an address unless contrary instructions have been received from the affected shareholders. Once you have received notice from your broker that it will be “householding” communications to your address, “householding” will continue until you are notified otherwise or until you notify your broker or our company that you no longer wish to participate in “householding.”

If, at any time, you no longer wish to participate in “householding” and would prefer to receive a separate proxy statement and annual report, (1) beneficial owners may notify your banks, brokers or other holders of record and (2) shareholders of record may direct your written request to our transfer agent, Computershare Trust Company, N.A. (for overnight mail delivery: 150 Royall St, Suite 101Canton, MA 02021; for regular mail delivery: PO box 43006, Providence, RI 02940-3006; by telephone: 1-800 736 3001 (toll-free) or 1-781-575 3100 (toll)). A separate copy of the Notice Regarding the Availability of Proxy Materials or the proxy materials will be delivered promptly upon request. Shareholders who currently receive multiple copies of the proxy statement at their address and would like to request “householding” of their communications should contact their banks, brokers or other holders of record, or our transfer agent as indicated above.

## Can I submit questions at the Annual Meeting?

Shareholders of record who attend the Annual Meeting and log in to the Annual Meeting as a shareholder will have an opportunity to submit questions in writing during the meeting. Shareholder questions or comments are welcome, but we will only answer questions pertinent to matters discussed at the Annual Meeting, subject to time constraints. Substantially similar questions may be grouped together.

## What constitutes a quorum at the Annual Meeting?

One or more shareholders holding shares which carry in aggregate (or representing by proxy) not less than one-third of all votes attaching to all shares in issue and entitled to vote at the Annual Meeting, present in person or by proxy or, if a corporation or other non-natural person, by its duly authorized representative, shall be a quorum for the Annual Meeting. You will be considered part of the quorum if you return a signed and dated proxy card, if you vote by telephone or Internet, or if you attend the Annual Meeting.

Abstentions and withhold votes are counted as “shares present” at the Annual Meeting for purposes of determining whether a quorum exists. Proxies submitted by banks, brokers or other holders of record holding shares for you as a beneficial owner that do not indicate a vote for some of or all the proposals because that holder does not have voting authority and has not received voting instructions from you (so-called “broker non-votes”) are also considered “shares present” for purposes of determining whether a quorum exists. If you are a beneficial owner, these holders are permitted to vote your shares on the “routine” matters even if they do not receive voting instructions from you. We expect that the ordinary resolution to ratify the selection of KPMG Huazhen LLP as our independent auditor for the fiscal year ending December 31, 2024 will be a routine matter. Accordingly, if your shares are held by a brokerage firm, bank or other financial institution on your behalf and you do not instruct the brokerage firm, bank or other financial institution as to how to vote your shares, your brokerage firm, bank or other financial institution will be entitled to exercise discretion to vote your shares only on Proposal 2, but your brokerage firm, bank or other financial institution may not exercise discretion to vote on the other proposal.

## How many votes are needed to approve the Proposals?

Proposal 1 of this proxy statement requires a special resolution. Broker non-votes and abstentions with respect to Proposal 1 will have no effect on the results of this vote.

Proposal 2 of this proxy statement requires an ordinary resolution. Broker non-votes and abstentions with respect to Proposal 2 will not be treated as votes cast for this purpose and, therefore, will not affect the outcome of the vote. We expect that there will be no broker non-votes on Proposal 2 due to the discretionary authority granted to brokerage firms, banks and other financial institutions.

Provided that there is a quorum, a special resolution requires the affirmative vote of at least two-thirds of the votes cast by the shareholders entitled to vote who are present in person, virtually or by proxy at a general meeting, while an ordinary resolution to be passed by the shareholders requires the affirmative vote of a simple majority of the votes cast by the shareholders entitled to vote who are present in person, virtually or by proxy at a general meeting.

### **What is the impact of abstentions, withhold votes and broker non-votes?**

Abstentions, withhold votes and broker non-votes are considered “shares present” for the purpose of determining whether a quorum exists, but will not be considered votes properly cast at the Annual Meeting and will have no effect on the outcome of the vote. Our shareholders have no rights under the Cayman Islands Companies Act to exercise dissenters’ or appraisal rights with respect to the proposals being voted on.

### **Who pays for the cost of this proxy solicitation?**

We will pay all the costs of preparing, mailing and soliciting the proxies. We will ask brokers, banks, voting trustees and other nominees and fiduciaries to forward the proxy materials to the beneficial owners of our ordinary shares and to obtain the authority to execute proxies. We will reimburse them for their reasonable expenses upon request. In addition to mailing proxy materials, our directors, officers and employees may solicit proxies in person, by telephone or otherwise. These individuals will not be specially compensated.

### **Where can I find the voting results of the Annual Meeting?**

We will announce preliminary voting results at the Annual Meeting. We also will disclose voting results on a Current Report on Form 8-K that we will file with the SEC within four business days after the Annual Meeting.

### **Why did I receive a Notice Regarding the Availability of Proxy Materials rather than a full set of proxy materials?**

In accordance with the SEC rules, we have elected to furnish our proxy materials, including this proxy statement, the Proxy Card and the 2023 Annual Report, primarily via the Internet rather than by mailing the materials to shareholders. The Notice Regarding the Availability of Proxy Materials provides instructions on how to access our proxy materials on the Internet, how to vote, and how to request printed copies of the proxy materials. Shareholders may request to receive future proxy materials in printed form by following the instructions contained in the Notice Regarding the Availability of Proxy Materials. We encourage shareholders to take advantage of the proxy materials on the Internet to reduce the costs and environmental impact of the Annual Meeting.

### **How can I obtain GigaCloud's Form 10-K and other financial information?**

Shareholders can access the 2023 Annual Report, which includes our Form 10-K, other financial information and exhibits, on our website at <https://www.gigacloudtech.com/>. Alternatively, shareholders can request a paper copy of the 2023 Annual Report free of charge by writing to: GigaCloud Technology Inc, 4388 Shirley Avenue, El Monte, CA 91731, USA, Attention: Board Secretary.

We have filed the 2023 Annual Report on Form 10-K with the SEC. It is available free of charge at the SEC’s web site at [www.sec.gov](http://www.sec.gov).

### **How do I submit a shareholder proposal for consideration at next year's annual meeting of shareholders?**

The Companies Act provides shareholders with only limited rights to requisition a general meeting, and does not provide shareholders with any right to put any proposal before a general meeting. However, these rights may be provided in a company’s articles of association. Our memorandum and articles of association provide that upon the requisition of any one or more of our shareholders who together hold shares which carry in

aggregate not less than 10 percent of all votes attaching to the issued and outstanding of our ordinary shares that as at the date of the deposit carry the right to vote at general meetings, our board of directors will convene an extraordinary general meeting and put the resolutions so requisitioned to a vote at such meeting. Under our memorandum and articles of association, our shareholders do not have any right to submit a proposal for inclusion at our annual general meetings. However, our directors will consider any such proposal which is submitted by a shareholder in accordance with the next paragraph, and may, at the sole and absolute discretion of our board of directors, include such proposal for the next annual general meeting.

Shareholders may present proper proposals for inclusion in our proxy statement and for consideration at our next annual general meeting of shareholders by submitting their proposals in writing to us in a timely manner. In order to be considered for inclusion in the proxy statement for the 2025 annual general meeting of shareholders, shareholder proposals must be received at our principal executive offices no later than December 15, 2024, and must otherwise comply with the requirements of Rule 14a-8 of the Exchange Act. Any other shareholder proposal for the annual general meeting of shareholders in 2025, which is submitted outside the processes of Rule 14a-8, shall be considered untimely unless received by us in writing no later than March 16, 2025. However, if the date of the annual general meeting is moved by more than 30 days from the date contemplated at the time of this year's proxy statement, then notice must be received within a reasonable time before we begin to print and send proxy materials. Your proposal must be in writing and comply with the proxy rules of the SEC. You should send your proposal to: GigaCloud Technology Inc, 4388 Shirley Avenue, El Monte, CA 91731, USA, Attention: Board Secretary.

### **How do I recommend a director nominee?**

Under Cayman Islands law, shareholders do not have the right to nominate a person for election as a director directly. However, if shareholders submit information about a potential candidate for the board to our nominating and corporate governance committee, our nominating and corporate governance committee will consider whether they are appropriate for nomination to our board. The ultimate decision as to whether or not to propose a potential candidate for election shall be at the sole and absolute discretion of our board of directors.

Without limiting the generality of the foregoing, the Directors may issue Shares with such preferred or other rights, all or any of which may be greater than the rights of Ordinary Shares, at such time and on such terms as they may think appropriate. Notwithstanding Article 18, the Directors may issue from time to time, out of the authorised share capital of the Company (other than the authorised but unissued Ordinary Shares), series of preferred shares in their absolute discretion and without approval of the Members; provided, however, before any preferred shares of any such series are issued, the Directors shall by resolution of Directors determine, with respect to any series of preferred shares, the terms and rights of that series, including:

- (a) the designation of such series, the number of preferred shares to constitute such series and the subscription price thereof if different from the par value thereof;
- (b) whether the preferred shares of such series shall have voting rights, in addition to any voting rights provided by law, and, if so, the terms of such voting rights, which may be general or limited;
- (c) the dividends, if any, payable on such series, whether any such dividends shall be cumulative, and, if so, from what dates, the conditions and dates upon which such dividends shall be payable, and the preference or relation which such dividends shall bear to the dividends payable on any shares of any other class or any other series of shares;
- (d) whether the preferred shares of such series shall be subject to redemption by the Company, and, if so, the times, prices and other conditions of such redemption;
- (e) whether the preferred shares of such series shall have any rights to receive any part of the assets available for distribution amongst the Members upon the liquidation of the Company, and, if so, the terms of such liquidation preference, and the relation which such liquidation preference shall bear to the entitlements of the holders of shares of any other class or any other series of shares;
- (f) whether the preferred shares of such series shall be subject to the operation of a retirement or sinking fund and, if so, the extent to and manner in which any such retirement or sinking fund shall be applied to the purchase or redemption of the preferred shares of such series for retirement or other corporate purposes and the terms and provisions relative to the operation thereof;
- (g) whether the preferred shares of such series shall be convertible into, or exchangeable for, shares of any other class or any other series of preferred shares or any other securities and, if so, the price or prices or the rate or rates of conversion or exchange and the method, if any, of adjusting the same, and any other terms and conditions of conversion or exchange;
- (h) the limitations and restrictions, if any, to be effective while any preferred shares of such series are outstanding upon the payment of dividends or the making of other distributions on, and upon the purchase, redemption or other acquisition by the Company of, the existing shares or shares of any other class of shares or any other series of preferred shares;
- (i) the conditions or restrictions, if any, upon the creation of indebtedness of the Company or upon the issue of any additional shares, including additional shares of such series or of any other class of shares or any other series of preferred shares; and
- (j) any other powers, preferences and relative, participating, optional and other special rights, and any qualifications, limitations and restrictions thereof;

and, for such purposes, the Directors may reserve an appropriate number of Shares for the time being unissued. The Company shall not issue Shares to bearer.

10. The Company may insofar as may be permitted by law, pay a commission to any Person in consideration of his subscribing or agreeing to subscribe whether absolutely or conditionally for any Shares. Such commissions may be satisfied by the payment of cash or the lodgment of fully or partly paid-up Shares or partly in one way and partly in the other. The Company may also pay such brokerage as may be lawful on any issue of Shares.

11. The Directors may refuse to accept any application for Shares, and may accept any application in whole or in part, for any reason or for no reason.

#### **CLASS A ORDINARY SHARES AND CLASS B ORDINARY SHARES**

12. Holders of Class A Ordinary Shares and Class B Ordinary Shares shall at all times vote together as one class on all resolutions submitted to a vote by the Members. Each Class A Ordinary Share shall entitle the holder thereof to one (1) vote on all matters subject to vote at general meetings of the Company and each Class B Ordinary Share shall entitle the holder thereof to ten(10) votes on all matters subject to vote at general meetings of the Company.

13. Each Class B Ordinary Share is convertible into one (1) Class A Ordinary Share at any time at the option of the holder thereof. The right to convert shall be exercisable by the holder of the Class B Ordinary Share delivering a written notice to the Company that such holder elects to convert a specified number of Class B Ordinary Shares into Class A Ordinary Shares. In no event shall Class A Ordinary Shares be convertible into Class B Ordinary Shares.

14. Any conversion of Class B Ordinary Shares into Class A Ordinary Shares pursuant to these Articles shall be effected by means of the re-designation of each relevant Class B Ordinary Share as a Class A Ordinary Share. Such conversion shall become effective (i) in the case of any conversion effected pursuant to Article 13, forthwith upon the receipt by the Company of the written notice delivered to the Company as described in Article 13 (or at such later date as may be specified in such notice), or (ii) in the case of any automatic conversion effected pursuant to Article 15, forthwith upon occurrence of the event specified in Article 15 which triggers such automatic conversion, and the Company shall make entries in the Register to record the re-designation of the relevant Class B Ordinary Shares as Class A Ordinary Shares at the relevant time.

15. Upon:

(a) any sale, transfer, assignment or disposition of Class B Ordinary Shares by a holder thereof to any person or entity that is not an Affiliate of such holder; or

(b) a change of control of the ultimate beneficial ownership of any Class B Ordinary Shares to any person or entity who is not an Affiliate of the registered holder of such Class B Ordinary Shares,

such Class B Ordinary Shares will be automatically and immediately converted into an equal number of Class A Ordinary Shares. For the avoidance of doubt, (i) a sale, transfer, assignment or disposition shall be effective upon the Company's registration of such sale, transfer, assignment or disposition in its Register; and (ii) the creation of any pledge, charge, encumbrance or other third party right of whatever description on any Class B Ordinary Shares to secure a holder's contractual or legal obligations shall not be deemed as a sale, transfer, assignment or disposition unless and until any such pledge, charge, encumbrance or other third party right is enforced and results in the third party holding legal title to the relevant Class B Ordinary Shares, in which case all the related Class B Ordinary Shares shall be automatically converted into the same number of Class A Ordinary Shares. For purpose of this Article 15, beneficial ownership shall have the meaning set forth in Rule 13d-3 under the United States Securities Exchange Act of 1934, as amended.

16. Save and except for voting rights and conversion rights as set out in Articles 12 to 16 (inclusive), the Class A Ordinary Shares and the Class B Ordinary Shares shall rank pari passu with one another and shall have the same rights, preferences, privileges and restrictions.

#### **IRREVOCABLE PROXIES**

17. Notwithstanding any other provision of these Articles, where a Shareholder (the “**Granting Shareholder**”) has granted an Irrevocable Proxy in respect of Shares held by the Granting Shareholder (the “**Subject Shares**”) to authorise the Irrevocable Proxy Holder to vote the Subject Shares in respect of any matters or resolutions to be voted upon by the Shareholders as specified therein (the “**Relevant Matters**”), then, for so long as the Irrevocable Proxy remains in force:

(a) the Irrevocable Proxy Holder shall, as soon as practicable after the Irrevocable Proxy has become effective, deliver a copy of such Irrevocable Proxy to the Company and the Irrevocable Proxy Holder shall, after the delivery such Irrevocable Proxy to the Company, be entitled to receive notice of all general meetings of the Company;

(b) only the Irrevocable Proxy Holder (and not the Granting Shareholder) shall be entitled to cast the votes attaching to the Subject Shares in respect of any resolutions which are proposed to be voted upon by the Shareholders to approve or authorise any Relevant Matter;

(c) the Irrevocable Proxy Holder shall have full power and authority to vote the Subject Shares at all general meetings of Shareholders with the same force and effect as the Granting Shareholder might or could do;

(d) any vote attaching to the Subject Shares cast otherwise than by such Irrevocable Proxy Holder shall not be counted towards the result of any poll or show of hands;

(e) the Irrevocable Proxy Holder shall have full power and authority to sign any resolution in writing of the Shareholders under Article 86 with the same force and effect as the Granting Shareholder might or could do with respect to the Subject Shares, and any such resolution in writing signed by the Irrevocable Proxy Holder shall be valid and effective as if it had been signed by the Granting Shareholder with respect to the Subject Shares;

(f) the Granting Shareholder shall not have any power or authority to sign any resolution in writing of the Shareholders under Article 86 with respect to the Subject Shares;

(g) the Irrevocable Proxy may not be revoked by the Granting Shareholder otherwise than in accordance with the terms of the Irrevocable Proxy; and

(h) the provisions of Articles 83 and 84 shall not apply to the Irrevocable Proxy.

#### **MODIFICATION OF RIGHTS**

18. Whenever the capital of the Company is divided into different Classes the rights attached to any such Class may, subject to any rights or restrictions for the time being attached to any Class, only be varied with the consent in writing of the holders of 80 per cent of the issued Shares of that Class, or with the sanction of a Special Resolution passed at a separate meeting of the holders of the Shares of that Class. To every such separate meeting all the provisions of these Articles relating to general meetings of the Company or to the proceedings thereat shall, mutatis mutandis, apply, except that the necessary quorum shall be one or more Persons holding or representing by proxy at least half of the issued Shares of the relevant Class (but so that if at any adjourned meeting of such holders a quorum as above defined is not ~~present~~**Present**, those Shareholders who are ~~present~~**Present** shall form a quorum) and that, subject to any rights or restrictions for the time being attached to the Shares of that Class, every Shareholder of the Class shall on a poll have one vote for each Share of the Class held by him. For the purposes of this Article the Directors may treat all the Classes or any two or more Classes as forming one Class if they consider that all such Classes would be affected in the same way by the proposals under consideration, but in any other case shall treat them as separate Classes.

19. The rights conferred upon the holders of the Shares of any Class issued with preferred or other rights shall not, subject to any rights or restrictions for the time being attached to the Shares of that Class, be deemed to be varied by, inter alia, the creation or issue of further Shares ranking pari passu or subordinate with to them or the redemption or purchase of any Shares of any Class by the Company. The rights of the holders of Shares shall not be deemed to be varied by the creation or issue of Shares with preferred or other rights including, without limitation, the creation of Shares with enhanced or weighted voting rights.

## CERTIFICATES

20. Every Person whose name is entered as a Member in the Register may, without payment and upon its written request, request a certificate within two calendar months after allotment or lodgement of transfer (or within such other period as the conditions of issue shall provide) in the form determined by the Directors. All certificates shall specify the Share or Shares held by that Person, provided that in respect of a Share or Shares held jointly by several Persons the Company shall not be bound to issue more than one certificate, and delivery of a certificate for a Share to one of several joint holders shall be sufficient delivery to all. All certificates for Shares shall be delivered personally or sent through the post addressed to the Member entitled thereto at the Member's registered address as appearing in the Register.

21. Every share certificate of the Company shall bear legends required under the applicable laws, including the Securities Act.

22. Any two or more certificates representing Shares of any one Class held by any Member may at the Member's request be cancelled and a single new certificate for such Shares issued in lieu on payment (if the Directors shall so require) of one dollar (US\$1.00) or such smaller sum as the Directors shall determine.

23. If a share certificate shall be damaged or defaced or alleged to have been lost, stolen or destroyed, a new certificate representing the same Shares may be issued to the relevant Member upon request, subject to delivery up of the old certificate or (if alleged to have been lost, stolen or destroyed) compliance with such conditions as to evidence and indemnity and the payment of out-of-pocket expenses of the Company in connection with the request as the Directors may think fit.

24. In the event that Shares are held jointly by several Persons, any request may be made by any one of the joint holders and if so made shall be binding on all of the joint holders.

## FRACTIONAL SHARES

25. The Directors may issue fractions of a Share and, if so issued, a fraction of a Share shall be subject to and carry the corresponding fraction of liabilities (whether with respect to nominal or par value, premium, contributions, calls or otherwise), limitations, preferences, privileges, qualifications, restrictions, rights (including, without prejudice to the generality of the foregoing, voting and participation rights) and other attributes of a whole Share. If more than one fraction of a Share of the same Class is issued to or acquired by the same Shareholder such fractions shall be accumulated.

## LIEN

26. The Company has a first and paramount lien on every Share (whether or not fully paid) for all amounts (whether presently payable or not) payable at a fixed time or called in respect of that Share. The Company also has a first and paramount lien on every Share registered in the name of a Person indebted or under liability to the Company (whether he is the sole registered holder of a Share or one of two or more joint holders) for all amounts owing by him or his estate to the Company (whether or not presently payable). The Directors may at any time declare a Share to be wholly or in part exempt from the provisions of this Article. The Company's lien on a Share extends to any amount payable in respect of it, including but not limited to dividends.

27. The Company may sell, in such manner as the Directors in their absolute discretion think fit, any Share on which the Company has a lien, but no sale shall be made unless an amount in respect of which the lien exists is presently payable nor until the expiration of fourteen calendar days after a notice in writing, demanding payment of such part of the amount in respect of which the lien exists as is presently payable, has been given to the registered holder for the time being of the Share, or the Persons entitled thereto by reason of his death or bankruptcy.

28. For giving effect to any such sale the Directors may authorise a Person to transfer the Shares sold to the purchaser thereof. The purchaser shall be registered as the holder of the Shares comprised in any such transfer and he shall not be bound to see to the application of the purchase money, nor shall his title to the Shares be affected by any irregularity or invalidity in the proceedings in reference to the sale.

29. The proceeds of the sale after deduction of expenses, fees and commissions incurred by the Company shall be received by the Company and applied in payment of such part of the amount in respect of which the lien exists as is presently payable, and the residue shall (subject to a like lien for sums not presently payable as existed upon the Shares prior to the sale) be paid to the Person entitled to the Shares immediately prior to the sale.

#### **CALLS ON SHARES**

30. Subject to the terms of the allotment, the Directors may from time to time make calls upon the Shareholders in respect of any moneys unpaid on their Shares, and each Shareholder shall (subject to receiving at least fourteen calendar days' notice specifying the time or times of payment) pay to the Company at the time or times so specified the amount called on such Shares. A call shall be deemed to have been made at the time when the resolution of the Directors authorising such call was passed.

31. The joint holders of a Share shall be jointly and severally liable to pay calls in respect thereof.

32. If a sum called in respect of a Share is not paid before or on the day appointed for payment thereof, the Person from whom the sum is due shall pay interest upon the sum at the rate of eight percent per annum from the day appointed for the payment thereof to the time of the actual payment, but the Directors shall be at liberty to waive payment of that interest wholly or in part.

33. The provisions of these Articles as to the liability of joint holders and as to payment of interest shall apply in the case of non-payment of any sum which, by the terms of issue of a Share, becomes payable at a fixed time, whether on account of the amount of the Share, or by way of premium, as if the same had become payable by virtue of a call duly made and notified.

34. The Directors may make arrangements with respect to the issue of partly paid Shares for a difference between the Shareholders, or the particular Shares, in the amount of calls to be paid and in the times of payment.

35. The Directors may, if they think fit, receive from any Shareholder willing to advance the same all or any part of the moneys uncalled and unpaid upon any partly paid Shares held by him, and upon all or any of the moneys so advanced may (until the same would, but for such advance, become presently payable) pay interest at such rate (not exceeding without the sanction of an Ordinary Resolution, eight percent per annum) as may be agreed upon between the Shareholder paying the sum in advance and the Directors. No such sum paid in advance of calls shall entitle the Member paying such sum to any portion of a dividend declared in respect of any period prior to the date upon which such sum would, but for such payment, become presently payable.

#### **FORFEITURE OF SHARES**

36. If a Shareholder fails to pay any call or instalment of a call in respect of partly paid Shares on the day appointed for payment, the Directors may, at any time thereafter during such time as any part of such call or instalment remains unpaid, serve a notice on him requiring payment of so much of the call or instalment as is unpaid, together with any interest which may have accrued.

37. The notice shall name a further day (not earlier than the expiration of fourteen clear days from the date of the notice) on or before which the payment required by the notice is to be made, and shall state that in the event of non-payment at or before the time appointed, the Shares in respect of which the call was made will be liable to be forfeited.

38. If the requirements of any such notice as aforesaid are not complied with, any Share in respect of which the notice has been given may at any time thereafter, before the payment required by notice has been made, be forfeited by a resolution of the Directors to that effect.

39. A forfeited Share may be sold or otherwise disposed of on such terms and in such manner as the Directors think fit, and at any time before a sale or disposition the forfeiture may be cancelled on such terms as the Directors think fit.

40. A Person whose Shares have been forfeited shall cease to be a Shareholder in respect of the forfeited Shares, but shall, notwithstanding, remain liable to pay to the Company all moneys which at the date of forfeiture were payable by him to the Company in respect of the Shares forfeited, but his liability shall cease if and when the Company receives payment in full of the amount unpaid on the Shares forfeited.

41. A certificate in writing under the hand of a Director that a Share has been duly forfeited on a date stated in the certificate shall be conclusive evidence of the facts in the declaration as against all Persons claiming to be entitled to the Share.

42. The Company may receive the consideration, if any, given for a Share on any sale or disposition thereof pursuant to the provisions of these Articles as to forfeiture and may execute a transfer of the Share in favour of the Person to whom the Share is sold or disposed of and that Person shall be registered as the holder of the Share and shall not be bound to see to the application of the purchase money, if any, nor shall his title to the Shares be affected by any irregularity or invalidity in the proceedings in reference to the disposition or sale.

43. The provisions of these Articles as to forfeiture shall apply in the case of non-payment of any sum which by the terms of issue of a Share becomes due and payable, whether on account of the amount of the Share, or by way of premium, as if the same had been payable by virtue of a call duly made and notified.

### TRANSFER OF SHARES

44. The instrument of transfer of any Share shall be in writing and in any usual or common form or such other form as the Directors may, in their absolute discretion, approve and be executed by or on behalf of the transferor and if in respect of a nil or partly paid up Share, or if so required by the Directors, shall also be executed on behalf of the transferee and shall be accompanied by the certificate (if any) of the Shares to which it relates and such other evidence as the Directors may reasonably require to show the right of the transferor to make the transfer. The transferor shall be deemed to remain a Shareholder until the name of the transferee is entered in the Register in respect of the relevant Shares.

45. (a) The Directors may in their absolute discretion decline to register any transfer of Shares which is not fully paid up or on which the Company has a lien.

(b) The Directors may also decline to register any transfer of any Share unless:

(i) the instrument of transfer is lodged with the Company, accompanied by the certificate for the Shares to which it relates and such other evidence as the Board may reasonably require to show the right of the transferor to make the transfer;

(ii) the instrument of transfer is in respect of only one Class of Shares;

(iii) the instrument of transfer is properly stamped (in circumstances where stamping is required); and

(iv) a fee of such maximum sum as the Designated Stock Exchange may determine to be payable, or such lesser sum as the Board of Directors may from time to time require, is paid to the Company in respect thereof.

46. The registration of transfers may, on ten calendar days' notice being given by advertisement in such one or more newspapers, by electronic means or by any other means in accordance with the Designated Stock Exchange Rules, be suspended and the Register closed at such times and for such periods as the Directors may, in their absolute discretion, from time to time determine, provided always that such registration of transfer shall not be suspended nor the Register closed for more than thirty calendar days in any calendar year.

47. All instruments of transfer that are registered shall be retained by the Company. If the Directors refuse to register a transfer of any Shares, they shall within three calendar months after the date on which the transfer was lodged with the Company send notice of the refusal to each of the transferor and the transferee.

#### **TRANSMISSION OF SHARES**

48. The legal personal representative of a deceased sole holder of a Share shall be the only Person recognised by the Company as having any title to the Share. In the case of a Share registered in the name of two or more holders, the survivors or survivor, or the legal personal representatives of the deceased survivor, shall be the only Person recognised by the Company as having any title to the Share.

49. Any Person becoming entitled to a Share in consequence of the death or bankruptcy of a Shareholder shall, upon such evidence being produced as may from time to time be required by the Directors, have the right either to be registered as a Shareholder in respect of the Share or, instead of being registered himself, to make such transfer of the Share as the deceased or bankrupt Person could have made; but the Directors shall, in either case, have the same right to decline or suspend registration as they would have had in the case of a transfer of the Share by the deceased or bankrupt Person before the death or bankruptcy.

50. A Person becoming entitled to a Share by reason of the death or bankruptcy of a Shareholder shall be entitled to the same dividends and other advantages to which he would be entitled if he were the registered Shareholder, except that he shall not, before being registered as a Shareholder in respect of the Share, be entitled in respect of it to exercise any right conferred by membership in relation to meetings of the Company, provided however, that the Directors may at any time give notice requiring any such Person to elect either to be registered himself or to transfer the Share, and if the notice is not complied with within ninety calendar days, the Directors may thereafter withhold payment of all dividends, bonuses or other monies payable in respect of the Share until the requirements of the notice have been complied with.

#### **REGISTRATION OF EMPOWERING INSTRUMENTS**

51. The Company shall be entitled to charge a fee not exceeding one dollar (US\$1.00) on the registration of every probate, letters of administration, certificate of death or marriage, power of attorney, notice in lieu of distringas, or other instrument.

#### **ALTERATION OF SHARE CAPITAL**

52. The Company may from time to time by Ordinary Resolution increase the share capital by such sum, to be divided into Shares of such Classes and amount, as the resolution shall prescribe.

53. The Company may by Ordinary Resolution:

(a) increase its share capital by new Shares of such amount as it thinks expedient;

(b) consolidate and divide all or any of its share capital into Shares of a larger amount than its existing Shares;

(c) subdivide its Shares, or any of them, into Shares of an amount smaller than that fixed by the Memorandum, provided that in the subdivision the proportion between the amount paid and the amount, if any, unpaid on each reduced Share shall be the same as it was in case of the Share from which the reduced Share is derived; and

(d) cancel any Shares that, at the date of the passing of the resolution, have not been taken or agreed to be taken by any Person and diminish the amount of its share capital by the amount of the Shares so cancelled.

54. The Company may by Special Resolution reduce its share capital and any capital redemption reserve in any manner authorised by law.

## **REDEMPTION, PURCHASE AND SURRENDER OF SHARES**

55. Subject to the provisions of the Companies Act and these Articles, the Company may:

- (a) issue Shares that are to be redeemed or are liable to be redeemed at the option of the Shareholder or the Company. The redemption of Shares shall be effected in such manner and upon such terms as may be determined, before the issue of such Shares, by the Board;
- (b) purchase its own Shares (including any redeemable Shares) on such terms and in such manner and terms as have been approved by the Board or are otherwise authorised by these Articles; and
- (c) make a payment in respect of the redemption or purchase of its own Shares in any manner permitted by the Companies Act, including out of capital.

56. The purchase of any Share shall not oblige the Company to purchase any other Share other than as may be required pursuant to applicable law and any other contractual obligations of the Company.

57. The holder of the Shares being purchased shall be bound to deliver up to the Company the certificate(s) (if any) thereof for cancellation and thereupon the Company shall pay to him the purchase or redemption monies or consideration in respect thereof.

58. The Directors may accept the surrender for no consideration of any fully paid Share.

### **TREASURY SHARES**

59. The Directors may, prior to the purchase, redemption or surrender of any Share, determine that such Share shall be held as a Treasury Share.

60. The Directors may determine to cancel a Treasury Share or transfer a Treasury Share on such terms as they think proper (including, without limitation, for nil consideration).

### **GENERAL MEETINGS**

61. All general meetings other than annual general meetings shall be called extraordinary general meetings.

62. (a) The Company may (but shall not be obliged to) in each calendar year hold a general meeting as its annual general meeting and shall specify the meeting as such in the notices calling it. The annual general meeting shall be held at such time and place as may be determined by the Directors.

(b) At these meetings the report of the Directors (if any) shall be presented.

63. (a) The Directors (acting by a resolution of the Board) may call general meetings, and they shall on a Shareholders' requisition forthwith proceed to convene an extraordinary general meeting of the Company and put the resolutions so requisitioned to a vote at such meeting.

(b) A Shareholders' requisition is a requisition of any one or more of Shareholders who together hold Shares which carry in aggregate not less than 10 per cent of all votes attaching to the issued and outstanding Shares of the Company that as at the date of the deposit carry the right to vote at general meetings of the Company.

(c) The requisition must state the objects of the meeting and must be signed by the requisitionists and deposited at the Registered Office, and may consist of several documents in like form each signed by one or more requisitionists.

(d) If there are no Directors as at the date of the deposit of the Shareholders' requisition, or if the Directors do not within twenty-one calendar days from the date of the deposit of the requisition duly proceed to convene a general meeting to be held within a further twenty-one calendar days, the requisitionists, or any of them representing more than one-half of the total voting rights of all of them, may themselves convene a general meeting, but any meeting so convened shall not be held after the expiration of three calendar months after the expiration of the said twenty-one calendar days.

(e) A general meeting convened as aforesaid by requisitionists shall be convened in the same manner as nearly as possible as that in which general meetings are to be convened by Directors.

#### NOTICE OF GENERAL MEETINGS

64. At least ten (10) calendar days' notice shall be given for any general meeting. Every notice shall be exclusive of the day on which it is given or deemed to be given and of the day for which it is given and shall specify the place, the day and the hour of the meeting and the general nature of the business and shall be given in the manner hereinafter mentioned or in such other manner if any as may be prescribed by the Company, provided that a general meeting of the Company shall, whether or not the notice specified in this Article has been given and whether or not the provisions of these Articles regarding general meetings have been complied with, be deemed to have been duly convened if it is so agreed:

(a) in the case of an annual general meeting, by all the Shareholders (or their proxies) entitled to attend and vote thereat; and

(b) in the case of an extraordinary general meeting, by holders of two-thirds (2/3rd) of the Shareholders having a right to attend and vote at the meeting, ~~present in person or by proxy or, in the case of a corporation or other non-natural person, by its duly authorised representative or proxy~~Present at the meeting.

128. The Directors may determine that a dividend shall be paid wholly or partly by the distribution of specific assets (which may consist of the shares or securities of any other company) and may settle all questions concerning such distribution. Without limiting the generality of the foregoing, the Directors may fix the value of such specific assets, may determine that cash payment shall be made to some Shareholders in lieu of specific assets and may vest any such specific assets in trustees on such terms as the Directors think fit.

129. Subject to any rights and restrictions for the time being attached to any Shares, all dividends shall be declared and paid according to the amounts paid up on the Shares, but if and for so long as nothing is paid up on any of the Shares dividends may be declared and paid according to the par value of the Shares. 151. Subject to the relevant laws, rules and regulations applicable to the Company, no Member shall be entitled to require discovery of any information in respect of any detail of the Company's trading or any information which is or may be in the nature of a trade secret or secret process which may relate to the conduct of the business of the Company and which in the opinion of the Board would not be in the interests of the Members of the Company to communicate to the public.

152. Subject to due compliance with the relevant laws, rules and regulations applicable to the Company, the Board shall be entitled to release or disclose any information in its possession, custody or control regarding the Company or

its affairs to any of its Members including, without limitation, information contained in the Register and transfer books of the Company.

#### **INDEMNITY**

153. Every Director (including for the purposes of this Article any alternate Director appointed pursuant to the provisions of these Articles), Secretary, assistant Secretary, or other officer for the time being and from time to time of the Company (but not including the Company's auditors) and the personal representatives of the same (each an "Indemnified Person") shall be indemnified and secured harmless against all actions, proceedings, costs, charges, expenses, losses, damages or liabilities incurred or sustained by such Indemnified Person, other than by reason of such Indemnified Person's own dishonesty, wilful default or fraud, in or about the conduct of the Company's business or affairs (including as a result of any mistake of judgment) or in the execution or discharge of his duties, powers, authorities or discretions, including without prejudice to the generality of the foregoing, any costs, expenses, losses or liabilities incurred by such Indemnified Person in defending (whether successfully or otherwise) any civil proceedings concerning the Company or its affairs in any court whether in the Cayman Islands or elsewhere.

154. No Indemnified Person shall be liable:

(a) for the acts, receipts, neglects, defaults or omissions of any other Director or officer or agent of the Company; or

#### **FINANCIAL YEAR**

155. Unless the Directors otherwise prescribe, the financial year of the Company shall end on December 31st in each calendar year and shall begin on January 1st in each calendar year.

#### **NON-RECOGNITION OF TRUSTS**

156. No Person shall be recognised by the Company as holding any Share upon any trust and the Company shall not, unless required by law, be bound by or be compelled in any way to recognise (even when having notice thereof) any equitable, contingent, future or partial interest in any Share or (except only as otherwise provided by these Articles or as the Companies Act requires) any other right in respect of any Share except an absolute right to the entirety thereof in each Shareholder registered in the Register.

#### **WINDING UP**

157. If the Company shall be wound up the liquidator may, with the sanction of a Special Resolution of the Company and any other sanction required by the Companies Act, divide amongst the Members in species or in kind the whole or any part of the assets of the Company (whether they shall consist of property of the same kind or not) and may for that purpose value any assets and determine how the division shall be carried out as between the Members or

different classes of Members. The liquidator may, with the like sanction, vest the whole or any part of such assets in trustees upon such trusts for the benefit of the Members as the liquidator, with the like sanction, shall think fit, but so that no Member shall be compelled to accept any asset upon which there is a liability.

158. If the Company shall be wound up, and the assets available for distribution amongst the Members shall be insufficient to repay the whole of the share capital, such assets shall be distributed so that, as nearly as may be, the losses shall be borne by the Members in proportion to the par value of the Shares held by them. If in a winding up the assets available for distribution amongst the Members shall be more than sufficient to repay the whole of the share capital at the commencement of the winding up, the surplus shall be distributed amongst the Members in proportion to the par value of the Shares held by them at the commencement of the winding up subject to a deduction from those Shares in respect of which there are monies due, of all monies payable to the Company for unpaid calls or otherwise. This Article is without prejudice to the rights of the holders of Shares issued upon special terms and conditions.

159. Subject to the Companies Act, the Company may at any time and from time to time by Special Resolution alter or amend these Articles in whole or in part.

#### **CLOSING OF REGISTER OR FIXING RECORD DATE**

160. For the purpose of determining those Shareholders that are entitled to receive notice of, attend or vote at any meeting of Shareholders or any adjournment thereof, or those Shareholders that are entitled to receive payment of any dividend, or in order to make a determination as to who is a Shareholder for any other purpose, the Directors may provide that the Register shall be closed for transfers for a stated period which shall not exceed in any case thirty calendar days in any calendar year.

161. In lieu of or apart from closing the Register, the Directors may fix in advance a date as the record date for any such determination of those Shareholders that are entitled to receive notice of, attend or vote at a meeting of the Shareholders and for the purpose of determining those Shareholders that are entitled to receive payment of any dividend the Directors may, at or within ninety calendar days prior to the date of declaration of such dividend, fix a subsequent date as the record date for such determination.

162. If the Register is not so closed and no record date is fixed for the determination of those Shareholders entitled to receive notice of, attend or vote at a meeting of Shareholders or those Shareholders that are entitled to receive payment of a dividend, the date on which notice of the meeting is posted or the date on which the resolution of the Directors declaring such dividend is adopted, as the case may be, shall be the record date for such determination of Shareholders. When a determination of those Shareholders that are entitled to receive notice of, attend or vote at a meeting of Shareholders has been made as provided in this Article, such determination shall apply to any adjournment thereof.

#### **REGISTRATION BY WAY OF CONTINUATION**

163. 166. Unless the Company consents in writing to the selection of an alternative forum, the United States District Court for the Southern District of New York (or, if the United States District Court for the Southern District of New York lacks subject matter jurisdiction over a particular dispute, the state courts in New York County, New York) shall be the exclusive forum within the United States for the resolution of any complaint asserting a cause of action arising out of or relating in any way to the federal securities laws of the United States, regardless of whether such legal suit, action, or proceeding also involves parties other than the Company. Any person or entity purchasing or otherwise acquiring any Share or other securities in the Company shall be deemed to have notice of and consented to the provisions of this Article. Without prejudice to the foregoing, if the provision in this Article is held to be illegal, invalid or unenforceable under applicable law, the legality, validity or enforceability of the rest of these Articles shall not be affected and this Article shall be interpreted and construed to the maximum extent possible to apply in the relevant jurisdiction with whatever modification or deletion may be necessary so as best to give effect to the intention of the Company.
